ABOUT US

We are a syndicated group of artists based in Zambia western province with the purpose of making film, documentary, music and other related entertainment or art projects. We've been working in the industry for over a decade, and we declared our selves a film group in 2017

OUR AIM

To create an opportunity for artists in Zambia to take part in the arts regardless of age, gender, background or lack of education.

Team vision

our vision is to become Africa's best story tellers through the art of film music and performance

VALUE

Producing and telling our local stories to inform and educate Africa. Our key value is to surpass the audience's expectation by producing high quality meaningful relatable content from Zambia just as it is done out there

OUR HISTORY

Before we became a registered group we worked on many projects that involved more than hundred women men and the youth to try and make movies from 2017 to 2020 when we named our group Lusaya movie production team. We later registred the team and got a certificate from national arts council of Zambia as an association in 2024

Our intentions

Our intentions are still the same, from the time we begun we have been about authenticity we make film that can be understood by the locals and having them to want to take part in the production.

Post production is also handled by our very own experienced and skilled editors on the team

We accept all passionate actors,singers,designers,photographers
writers and all other artists to join lusaya as members.
Regardless of the members's background and experience

all members are educated and oriented through organized workshops
and through interactions with other experienced artists during tour

already established film makers do it

Actors film camping

We value every coin donated by well wishers to the film projects. The team pays for sleeping space and lobbies for money to buy food for the actors who are full time members of Lusaya movies
We have more than 30 actors per film camp to take part in different filming tasks

Film shooting

We work with trained and untrained Film directors, cinematographers, D.O.P.s sound engineers who are willing to work with the team through possible agreements

Music recording

We have our own signed artists who compose and record Music for our films and performances. We also work with artists outside our membership through possible agreements.

TV appearances

Our work has attracted ZNBC TV and other TV channels to interview our actors multiple times. The team has successfully submitted two short films to Crown TV Zambia channel 277 Dstv for showcasing purposes
